

## Changes to ePostcode.com Pricing - 2007

### PAY AS YOU GO PRICING (PUBLIC USE)

Our pricing structure couldn't be simpler. **ePostcode.com** is a registered reseller of the Royal Mail **PAF®**. As such, our prices are inclusive of the Licence charges that we must pay to the Royal Mail, plus our web service fee. Our prices are one of the cheapest in the UK and your service is fully supported by the **ePostcode.com** Team. Only those intending to use the web service for a public website should purchase Pay as You Go credits.

### USER LICENCES (INTERNAL USE)

The Royal Mail **PAF®** Licence requires that all those using data for internal purposes, i.e. Intranet, CRM, Sage, etc, must pay a Licence fee Per User. All you need to do is buy the required number of Licences then select how many Credits you wish to purchase. Your credits are valid for as long as you have a valid licence and licences are valid for a year from date of purchase.
